Answer to Question 7A – Asking for the Nature of the Interest, Transaction, or Income

An A12 pass for airline travel, which permits me to fly at the reduced employee rate on American Airlines and to hold seats on those flights at that rate rather than traveling only on a space available basis (which is the standard travel benefit that American extends to its employees).

Answer to Question 7B – Requesting the Amount of the Interest, Transaction or Income

I used the A12 pass approximately 1 time a month in 2004. As I would have been eligible to travel on those flights at reduced rates as an American employee provided there was space available, it is not possible to provide a reasonable estimate of the value of that travel at this juncture.
